

Delicias del Sol – Important news from Tenerife

Dear friends of Delicias del Sol,

Unfortunately, we have to close the shop and production in Chío after 25 years.

The reasons:

1. The landlord wants to increase the rent by 110%.
2. Our small company will not be able to cope with the additional costs.
3. It is almost impossible to find new production premises in a short time.

The good news:

Online sales continue. You can have the delicacies from Tenerife delivered to your home, whether in Europe, Tenerife or elsewhere.

The warehouse in Germany is full.

First come, first served.

It is with a heavy heart that we say goodbye to all of you. It has been a pleasure to have met you over the past years. THANK YOU VERY MUCH.

Yours sincerely,
Gerrit & Amanda
